## Cathedral Notices

**We are delighted to welcome Abi Buck** who joined the Vestry Team as a new full time verger in July. She has previous experience from Peterborough Cathedral and St. George's, Hanover Square and is already proving an asset to the team. Please say hello to her if you meet her around the Cathedral. We hope that she will soon feel settled and part of the Cathedral Community.

**All Creatures Great and Small: A service of blessing for our pets.** Everyone is welcome to join our first service for pets on Saturday 14 September at 2pm. Aimed at children and families, this relaxed service will include readings, prayers and music sung by the Cathedral choristers and Junior Choir. It will take place at the west end of the Cathedral, with the large doors open so owners and their animals can gather inside or outside.

**The Mothers' Union** in Salisbury Diocese have mounted a display, in the St Margaret's Chapel, which will be there until 25th August. It is interesting and informative giving details about Mothers' Union's work, with its 4 Million members, across the world. Please take a look at it as you may find there is a lot more to the Mothers' Union than you imagined.

**Join the Cathedral Christmas Company of Players!** Revd Ross Meikle is hoping to hear from anyone who may be interested in supporting some Cathedral services during December and January as a performer or actor. You should be energetic, comfortable in front of a crowd, and perhaps have a flamboyant flair about you! Or – you will have the willingness to develop your performance skills. Speaking and non-speaking roles available. All ages and experience welcome. Contact: [r.meikle@salcath.org.uk](mailto:r.meikle@salcath.org.uk)

**Our Earth: Ecological Crisis, Art, Theology, and Action.** Sarum College and the Cathedral are collaborating on a one-day short course, bringing together the Cathedral's summer art installation with theological engagement of the climate crisis and practical steps that can be taken in our homes, churches and communities. Wednesday 18th September, 10am – 4pm. With input from James Woodward, Kenneth Padley, and Susie Snyder, and a tour of Our Earth led by Beth Hughes. Lunch and refreshments included in the course fee. More info and bookings on [sarum.ac.uk/short-courses/our-earth](http://sarum.ac.uk/short-courses/our-earth)

**Cathedral Lighting.** Work has started onsite to renew the lighting inside the cathedral (relamping). Electricians will be working around the building during August, September and October – and will return in the New Year if necessary. This work is necessary because the previous lamps are coming to the end of their working life and are no longer available. The new LEDs (in part funded by a generous grant from the Friends) will cut the power required for our lighting by over 70%, reducing our demand on the National Grid by about 25 tonnes of carbon dioxide a year. *Kenneth Padley, Treasurer*

**Christian Aid screening of film The Tinderbox** (made 2022) at the United Reformed Church on Monday 7 October 7pm. Christian Aid has secured a licence for us to watch this free of charge.

**Trip to Pilsdon Community** Sunday 13 October. Pip & Bruce Carter are arranging to take a minibus to Pilsdon's 66th anniversary celebrations – Pilsdon is a community that shares a common life of prayer, hospitality and work, providing an environment of acceptance and friendship.
