Cathedral Notices

On Monday 5th August we will be welcoming +Richard Chartres, sometime Bishop of London, to lead our time of guided prayer. It begins at 10.00 a.m. in the Trinity Chapel concluding just before 11.00 a.m. Hopefully +Richard will have time to share fellowship with us in the Refectory afterwards, over a cup of coffee.

Cathedral Youth - will you be having a rest from School or awaiting some Exam results? Revd Ross and Trevor are holding three 2-hour sessions for young people interested in finding and developing your public-speaking voice so you can read the Bible and lead prayers in our Cathedral worship. Join us on Monday 29 at 11am, Tuesday 30 at 11am and Wednesday 31 July at 3pm. Find out more by asking Ross or emailing t.branchvolunteering@salcath.co.uk

Join the Cathedral Christmas Company of Players! Revd Ross Meikle is hoping to hear from anyone who may be interested in supporting some Cathedral services during December and January as a performer or actor. You should be energetic, comfortable in front of a crowd, and perhaps have a flamboyant flair about you! Or – you will have the willingness to develop your performance skills. Speaking and non-speaking roles available. All ages and experience welcome. Contact: r.meikle@salcath.org.uk

Our Earth: Ecological Crisis, Art, Theology, and Action. Sarum College and the Cathedral are collaborating on a one-day short course, bringing together the Cathedral's summer art installation with theological engagement of the climate crisis and practical steps that can be taken in our homes, churches and communities. Wednesday 18th September, 10am – 4pm. With input from James Woodward, Kenneth Padley, and Susie Snyder, and a tour of Our Earth led by Beth Hughes. Lunch and refreshments included in the course fee. More info and bookings on sarum.ac.uk/short-courses/our-earth

Cathedral Lighting. Work has started onsite to renew the lighting inside the cathedral (relamping). Electricians will be working around the building during August, September and October – and will return in the New Year if necessary. This work is necessary because the previous lamps are coming to the end of their working life and are no longer available. The new LEDs (in part funded by a generous grant from the Friends) will cut the power required for our lighting by over 70%, reducing our demand on the National Grid by about 25 tonnes of carbon dioxide a year. *Kenneth Padley, Treasurer*

Peace Vigil. Every Saturday in August 5–5.30pm outside Salisbury Library. Calling for a permanent ceasefire in Gaza, Israel and The West Bank Palestinian Territories. Everyone welcome.
