Al-Ghamdi was arrested on 20 Nov 2022. According to trusted sources, he was held in solitary confinement for the first three months of his detention and has been denied access to adequate healthcare, including for his epilepsy. Asaad bin Nasser al-Ghamdi's brother, Mohammad, was arrested five months prior to Asaad's arrest and sentenced to death in July 2023 over his social media posts. A history of Sacred Music by women. Historically music performed in worship in Churches and Cathedrals has largely been written by men. But women have always composed sacred music, and this 3 hour online short course will examine historic female composers revered in their day, from Hildegard of Bingen, to Raffaella Aleotti and Marianna Martines, through to Stanford's pupil Rebecca Clarke and Imogen Holst in more recent centuries. The course is organised by Sarum College and led by Canon Anna Macham, and will be delivered online via zoom on Thurs 17 Oct, 10am–1pm. For more information and booking, see www.sarum.ac.uk/short-courses/sacred-music-women/
