Healthy Safeguarding Cultures Survey. The Diocese and Cathedral are undertaking a survey seeking feedback on our safeguarding culture, this comes out of the INEQE audit that took place earlier this year.

Your feedback on our current culture and safeguarding practices within the Cathedral is invaluable. Throughout December we are asking people who work, volunteer and visit the Cathedral to take part in an anonymous survey which should take approximately 5-10 minutes to complete. The purpose of the survey is to understand cultures within the organisation and identify areas of strength and areas for improvement.

Everyone who takes part in the life of the Cathedral is welcome to complete the survey, from tour guides, to Chapter members, congregation members and victims/survivors who have experienced abuse. The survey will remain open until 31st December 2024 and can be found following this link: <https://www.smartsurvey.co.uk/s/3LUS6R/SalisburySafeguardingCultureSurvey> or through the QR code provided. We are committed to maintaining a safe, respectful, and supportive environment for all.

Thank you in advance for taking the time to complete the survey, best wishes Jackie Molnar, Chapter Clerk (Chief Operating Officer)
